

SUBMISSION DETAILS

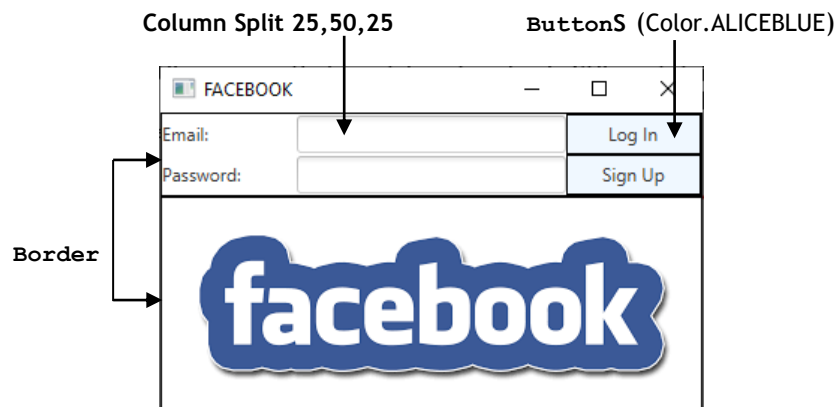

To be dropped into Blackboard under `\\Assignment (Week 8) Submission\\`. The deadline for submission is 2:30pm on Monday 4th April 2022. Submission should include a `.java` file with the completed GUI.

Consistent indentation and coding conventions should be used. Some of the conventions are mentioned in the document “Guidelines on Programming Style and Documentation” (available on Blackboard).

If any of the code submitted by you is thought to be copied, from or by someone else, it will be formally reported to the Head of School who will convene a Disciplinary Committee to deal with the issue. Never copy from someone else or another source. Never give your code to someone else. You are being graded on your ability to write software, not on your ability to copy software.

GUI SPECIFICATION

Write a Java GUI program that models a Facebook GUI containing the `Scene` shown below. There is a `facebook.png` file available on Blackboard under `\\Assignment(Week 8)\\image\\`.

When the Sign Up Button is clicked, the `Scene` of the GUI should change to the Scene below. The Sign Up Label and Button Font is `SanSerif, FontWeight.BOLD, 18`.
